

For the high-fi prototype of the CART page:

My previous wireframes from Assignment 5 have already covered it since the CART page for the Covid testing site is the appointment page (date and test site picking, appointment confirmation, etc). So I decided to build a couple wireframes for the Existing Appointments (The DETAIL Page)

The CART page:

 Home

Existing Appointments

Past Results

Welcome, Nick

Tartan Testing and Vaccination

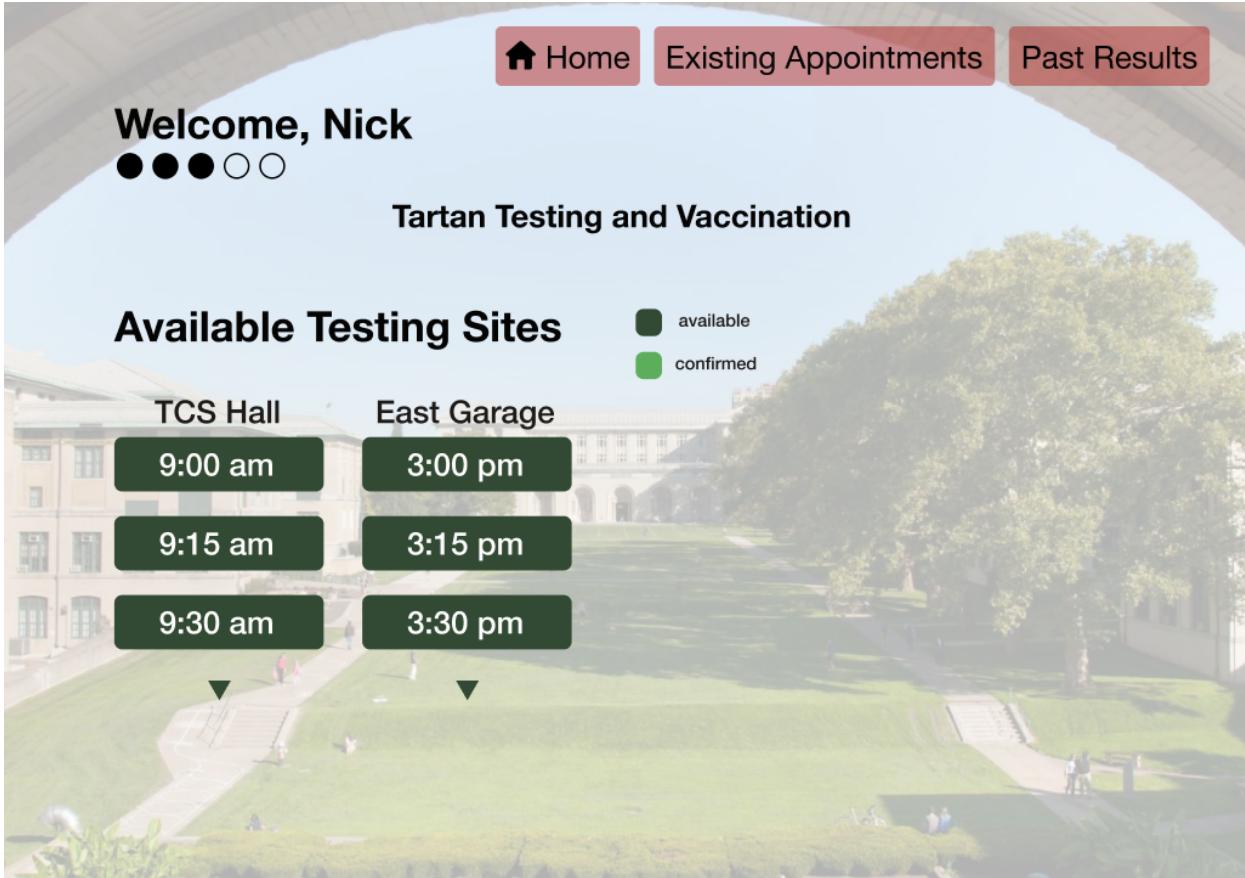

Available Testing Dates

Date

February, 2022

1	2	3	4	5	6	7	 available
8	9	10	11	12	13	14	 confirmed
15	16	17	18	19	20	21	
22	23	24	25	26	27	28

Tartan Testing and Vaccination

Confirmed!

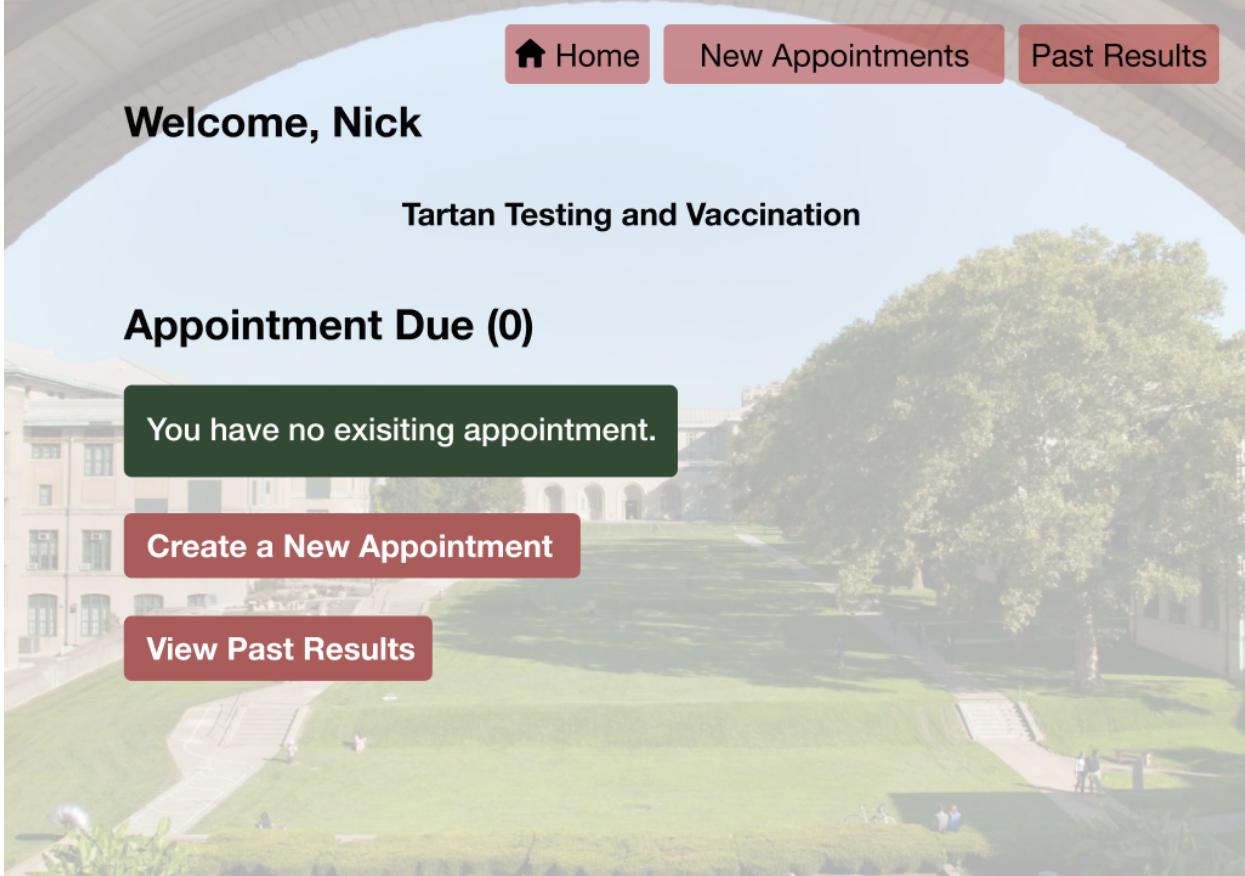

Nick, you are due at **TCS Hall** at **9:30am** on **Feb, 21**

 Take a screenshot of your QR code and show it to the staff

[View Appointment Details](#)

The CART page uses a color scheme that follows the CMU cardinal red and utilizes green for greenlighting (confirming).

The DETAIL page:
